The purpose of the Elm Grove Sanctuary Trust is to offer support, hope and encouragement to all people, especially when they are in need and irrespective of race or creed, based upon a deep compassion for all life and respecting the beauty and awe of our natural world. As a Public Benevolent Institution we rely upon private donations to enable us to continue the work of the Trust.

We reach out to all people in their times of need. We seek to support our Indigenous people of this land who cared for this country over thousands of years and who have been disenfranchised by colonisation.

Our planet is facing serious ecological challenges: climate change, fresh water depletion, deforestation, ocean over-fishing, air and water pollution and the struggle to feed the inhabitants of our planet.

The purpose for our Trust is to draw attention to the ways in which we can live more simply, responsibly and harmoniously as exemplified by St Francis of Assisi.

Associate Members of the Trust are a group of people who share these ideals and seek to promote them.

You are invited to become an Associate Member of the Elm Grove Sanctuary Trust. Please provide the following details:
